Draft GKM Community Involvement Plan.docx

Hi Michael and David,

We're confirmed for 1:00 Mountain Standard Time tomorrow. I've attached an outline that was drafted that does include some Region 6 and 9 activities as I understand it. Since we're on a deadline of December 5 (I'll need to confirm the date) we're hoping to keep it simple but would like to hear your thoughts. We've already been gathering information from local stakeholders that we plan to build into the CIP and may follow up with some interviews via call. We're also pulling demographics on the areas within Colorado and have requested our EJ Program pull an EJSscreen of the area. My thoughts are to get a draft together to share with Suzanne for her input. Would like to hear from you tomorrow and agree on a path forward.

Sincerely, Libby

1:00 YOUR time works great for me. Thanks. Do you happen to have any draft materials being considered for the CIP?

Hi Michael and David,

I just sent you an invite for this Friday at 1:00 MST to discuss the GKM CIP. I realize this is short notice but schedules next week didn't come together very well. Let me know if for some reason you can't make it and we'll try to figure out another time.

Thanks, Libby
